

Covid-19 (Coronavirus)

NOTICE:

March 23rd, 2020

In response to Covid-19 (Coronavirus), we want to reassure our community that Brandon Amplify Fitness is monitoring the rapidly changing circumstances surrounding the virus.

We are following the recommendations of the Centers for Disease Control (CDC) to protect our customers and staff from the virus and are monitoring the situation in our community. We are and will continue to take all sanitation precautions recommended by the authorities.

Although the gym will stay open at this time, we will be changing our front desk hours.

Starting Wednesday, March 25th, 2020; we will be open 8am-6pm Monday-Friday and open 8am-noon on Saturdays. The gym is open to members 24/7. Classes will be cancelled indefinitely.

We are doing what we can to keep the gym clean and keep it open. But, we can only do that with the help of our members. **In order for us to stay open, it is imperative that there are no more than 10 people in the gym at a time.**

Please wipe down machines and other equipment before and after you are done with them.

Please stay home and call your physician, if you or a family member have symptoms like a fever or cough.

As we monitor the situation, we will provide timely updates on anything that may change.

Thank you,
Brandon Amplify Fitness
